March 19, 2004

On January 19, 2004, a moving van arrived at the residence of then Theodore Davis on Rosedon Dive at approximately 9 or 9:30 in the morning. The moving men started moving furniture on the street; they put a few things in the moving truck. People in the neighborhood started stopping by and taking things. A policeman can and started talking to the lady in the house he had a bag in his hand and took something to the trunk of his police car. People were stopping by all day, later that night a wrecker came and pulled a car from the driveway that was parked near the privacy fence.
